Castle Hill Primary School

Behaviour Management Policy

Review: 4th June 2025

Approved by governors: June 2025

1. Ethos

At Castle Hill Primary School, we provide children with the skills and building blocks to grow up to become responsible members of society. We encourage and promote good behaviour, through the use of positive reinforcement and rewards. Our Golden Rules are applied consistently to guide the children and staff and ensure everyone is safe, happy and engaged in their learning, in a calm and supportive environment, to allow pupils to thrive and grow.

Sanctions are used as a method of reminding the children of the behaviour expectations within our school. This is to ensure that other pupils and teaching staff are protected from disruption and can learn in a safe, calm and supportive environment.

2. Aims

This policy aims to:

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school
- Outline the expectations and consequences of behaviour
- Provide a consistent approach to behaviour management that is applied equally to all pupils
- Define what we consider to be unacceptable behaviour, including bullying and discrimination

3. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools: advice for headteachers and school staff, 2016
- Behaviour in schools: advice for headteachers and school staff 2022
- Searching, screening and confiscation at school 2018
- Searching, screening and confiscation: advice for schools 2022
- The Equality Act 2010
- Keeping Children Safe in Education
- Exclusion from maintained schools, academies and pupil referral units in England 2017
- Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement - 2022
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school

It is also based on the Special Educational Needs and Disability (SEND) Code of Practice.

5. Roles and responsibilities

5.1 The governing board

The Castle Hill governing board is responsible for:

Reviewing and approving the written statement of behaviour principles (appendix 1)

Reviewing this behaviour policy in conjunction with the headteacher

Monitoring the policy's effectiveness

Holding the headteacher to account for its implementation

5.2 The headteacher

The headteacher is responsible for:

Reviewing this policy in conjunction with the Castle Hill governing board

Giving due consideration to the school's statement of behaviour principles (appendix 1)

Approving this policy

Ensuring that the school environment encourages positive behaviour

Ensuring that staff deal effectively with poor behaviour

- Monitoring that the policy is implemented by staff consistently with all groups of pupils
- Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary
- Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1)

5.3 Teachers and staff

Staff are responsible for:

- Creating a calm and safe environment for pupils
- Establishing and maintaining clear boundaries of acceptable pupil behaviour
- Implementing the behaviour policy consistently
- Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils
- Modelling expected behaviour and positive relationships
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Considering their own behaviour on the school culture and how they can uphold school rules and expectations
- Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- Challenging pupils to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

5.4 Parents and carers

Parents and carers, where possible, should:

- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Support their child in adhering to the school's behaviour policy
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Take part in any pastoral work following misbehaviour (for example: attending reviews of specific behaviour interventions)

Raise any concerns about the management of behaviour with the school directly, whilst continuing to work in partnership with the school

Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

5.5 Pupils

Pupils will be made aware of the following during their induction into the behaviour culture:

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy

The school's key rules and routines

The rewards they can earn for meeting the behaviour standard, and the consequences they will face if they don't meet the standard

The pastoral support that is available to them to help them meet the behavioural standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Extra support and induction will be provided for pupils who are mid-phase arrivals.

6. School behaviour curriculum

Pupils are expected to:

Behave in an orderly and self-controlled way

Show respect to members of staff and each other

In class, make it possible for all pupils to learn

Move quietly around the school

Treat the school buildings and school property with respect

Wear the correct uniform at all times

Accept sanctions when given

Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Where appropriate and reasonable, adjustments may be made to routines within the curriculum to ensure all pupils can meet behavioural expectations in the curriculum.

To reinforce a whole school consistent approach to behaviour management at Castle Hill Primary School, the Going for Gold system is used. This system is clearly displayed in each classroom as part of the behaviour policy.

The Going for Gold system relates directly to our Golden Rules. The six Golden Rules are:

1. We are kind and helpful
2. We gentle
3. We listen
4. We work hard
5. We are honest
6. We look after property

7. Responding to behaviour

7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within school.

They will:

Create and maintain a stimulating environment that encourages pupils to be engaged

Display the behaviour curriculum or their own classroom rules

Develop a positive relationship with pupils, which may include:

- Greeting pupils in the morning/at the start of lessons
- Establishing clear routines
- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh
- Having a plan for dealing with low-level disruption
- Using positive reinforcement

7.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

Personal circumstances of the pupil will be taken into account when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

7.3 Responding to good behaviour

Children who follow the Golden Rules are rewarded in the following ways:

- Verbal praise
- White stickers
- Dojos in a jar
- Inform parents
- Castle Hill Certificate
- Castle Hill prizes
- Key Stage Certificates
- Headteacher's badge and Certificate
- Senior Leader stickers
- Sharing good work with Senior Leaders

Celebration Assemblies

Celebration assemblies are held weekly. The following rewards are presented during these assemblies:

- Castle Hill Certificates
- Castle Hill Prizes
- Reading Challenge certificates
- Out of school achievements
- Other extra-curricular achievements
- Birthday celebrations
- Attendance Awards
- Punctuality Awards
- Key Stage Awards
- Headteacher's Awards

Parents are invited to these assemblies.

7.4 Responding to misbehaviour

Consequences and sanctions are sometimes a necessary part of a functioning behaviour system. Where it is accepted that children sometimes make inappropriate behaviour choices, the following consequences and sanctions will be used as appropriate:

- Verbal reminders
- Name move(s) on the Going for Gold behaviour chart
- Loss of playtime
- Loss of lunchtime
- Loss of Golden Time
- Time out of class with a Senior Leader
- Informing parents
- Individual behaviour chart
- Internal exclusion
- Suspension (fixed term exclusion)
- Permanent Exclusion

7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

7.6 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

7.7 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school

- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

7.8 Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

8. Serious sanctions

8.1 Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under the supervision of a member of staff that is meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive
- Maintain the safety of all pupils
- Allow the disruptive pupil to continue their learning in a managed environment
- Allow the disruptive pupil to regain calm in a safe space

Pupils will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

Pupils should be reintegrated into the classroom as soon as appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for pupils who are frequently removed from class, such as:

- Meetings with learning mentors
- Use of teaching assistants
- Short term behaviour charts
- Long term behaviour plans
- Pupil support units

Multi-agency assessment

Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the pupil in the behaviour log.

8.2 Suspension and permanent exclusions

In rare, challenging circumstances, the Headteacher (or Deputy Headteacher as appropriate) may suspend or permanently exclude a pupil on disciplinary grounds as a last resort. These measures will only be used to establish, and or maintain, high standards of behaviour in school and ensure the safety of the school community. A suspension or permanent exclusion would only be used if approaches towards the behaviour management system have been exhausted. These sanctions may also apply to challenging behaviours that occur outside of school.

The decision to exclude a pupil permanently is only taken:

• in response to a serious breach *or* persistent breaches of the school's behaviour policy; and

• where allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others such as staff or pupils in the school.

9. Supporting Children Who Demonstrate Challenging Behaviours

As an essential part of behaviour management the following tools or strategies may be deployed as a means of supporting children who present with extremely challenging behaviours (on a case by case basis) following a sanction:

- Castle Hill Learning Mentor
- Bolton Behaviour Support Mentor support in school
- Bolton Behaviour Support Mentor in the family home
- Professional School children's counselling service
- 1:1 adult support
- Reintegration timetables
- Alternative Bolton Behaviour Provisions
- Managed Moves

10. Responding to misbehaviour from pupils with SEND

10.1 Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid causing any substantial disadvantage to a disabled pupil caused by the school's policies or practices (Equality Act 2010)
- Using our best endeavours to meet the needs of pupils with SEND (Children and Families Act 2014)
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned.]

Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long

Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher

Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher

Training for staff in understanding conditions such as autism

Use of separation spaces where pupils can regulate their emotions during a moment of sensory overload.

10.2 Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will take into account:

- Whether the pupil was unable to understand the rule or instruction?
- Whether the pupil was unable to act differently at the time as a result of their SEND?
- Whether the pupil is likely to behave aggressively due to their particular SEND?

If the answer to any of these questions is yes, it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

10.3 Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

10.4 Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the issue. If appropriate, the school may request an emergency review of the EHC plan.
